ABOUT US

Turco Golf is a leading golf course construction company serving the northeastern United States. Headquartered in Pompton Lakes, NJ, we specialize in building and renovating world-class golf courses. Our crews are highly skilled in a wide array of trades including earthwork, shaping, drainage, paving, surveying, irrigation, hydroseeding and more. Our talented shapers are the best the industry has to offer, exemplifying artisan-like craftsmanship on every hole.

Founded by Dennis and Larry Turco during the golf course construction boom of the 1990s, Turco Golf has remained a family-owned business while building a reputation as one of the industry's premier golf builders.

RECENT PROJECTS:

- Francis Byrne Golf Course — West Orange, NJ
- Tamarack Golf Course West — East Brunswick, NJ
- Glens Falls Country Club - Glens Falls, NY
- Howell Park Golf Course - Farmingdale, NJ
